Andhra Pradesh Chief Minister Y S Jagan Mohan Reddy on Wednesday virtually laid foundation stones for three renewable energy projects aimed at producing 5,314 MW of power.

The chief minister said the projects would help Andhra Pradesh become number one in green energy. He laid foundation stones for a 2,300 MW solar power project to be set up by Greenko Group at Junuthala village in Owk mandal, 700 MW solar and 314 MW wind power plants to be set up by AM Green Energy at Kandikayapalle village in Panyam mandal, and 1,000 MW solar and wind power projects each to be set up by Ecoren Energy at Muddavaram village in Bethamcherla mandal.
